Function Package

THE REGATTA

a brief history

For more than 150 years, the Regatta Hotel has been a place where Brisbane gathers - to meet, mingle, and create lasting memories beneath its iconic iron-laced verandas.

Established in 1874 as a modest single-storey building, the Regatta has grown into one of Australia's most storied venues. It has played host to legendary sporting celebrations and pivotal moments in social history, including one of the nation's earliest feminist protests. Our Grand Lady of the Brisbane River has endured flood, fire, and over a century of transformation, emerging each time with renewed character and strength.

Today, her beautifully reimagined spaces honour this rich past while offering a vibrant, contemporary pub experience loved by locals and visitors alike. Recognised as "Hotel of the Year" by the Queensland Hotels Association, and now boasting its own CityCat terminal, the Regatta continues to shape its unique legacy on the river.

Regatta Functions extends this legacy across four levels, featuring 12 versatile event spaces. From refined dining experiences and social celebrations to multi-venue corporate events and unforgettable weddings, the Regatta offers a setting for every occasion, all delivered with timeless style and unmistakable character.
